IN THE MATTER OF THE
LICENSE OF:

KATHLEEN TUCKER

TO PRACTICE RESPIRATORY CARE IN
THE STATE OF NEW JERSEY

Administrative Action

CONSENT ORDER

This matter was opened to the New Jersey State Board of Respiratory Care upon the application of Kathleen Tucker for a license to practice respiratory care in the State of New Jersey. In connection with that application, she acknowledged that she had been practicing respiratory care in the State of New Jersey since December, 1993 without having first obtained a license, until the present time.

The Board having considered the aforesaid information, and the parties being desirous of resolving this matter without the necessity of further formal proceedings, Kathleen Tucker, having waived any right to a hearing in this matter, and the Board finding that the within Order is adequately protective of the public health and that good cause exists for its entry:

IT IS ON THIS 7th DAY OF June, 1994,

ORDERED that a temporary license to practice respiratory care in the State of New Jersey shall be issued to Kathleen Tucker, with conditions as specified in N.J.S.A. 45:14E-14.

ORDERED that Kathleen Tucker shall, contemporaneously with the filing of this Order, pay a civil penalty in the amount of \$250.00, by certified check or money order payable to the Treasurer of the State of New Jersey and forwarded to the office of the Board of Respiratory Care.

It is further ORDERED that Kathleen Tucker will agree to cooperate if called before the Board for Investigative Inquiry at a later time regarding her activities in the field of respiratory care while unlicensed.
